Website Launch

The Destiny Care Foundation is proud to announce the launch of its very own website!

Our website will give you the ability to keep up with all our current campaigns, contributions, activities, events, and much more.

Making donations will now be a breeze, as we have added paypal in order to process your donations electronically and safely.

Make sure to hit the subscribe button at the top of our website to receive more information on

our Destiny Care Foundation. You will receive our monthly newsletters, recognition for your donations, birthday wishes, how you made a difference, information on our events, and more.

You can also keep up with us on social media. Make sure to like/add us on Facebook, Instagram, and YouTube.

Resource Education Event

Destiny Care Foundation will be holding a resource education health fair event on the following dates for January 2019

- 01/ 16/2019
- 01/30/2019

Topics include: home health, hospice, palliative

care, assisted living, pre-planning funeral arrangements, senior companion programs, dementia and support services for family members caring for older adults, veteran assistants programs, and more!

Please visit our social media pages for more information and location.

We hope to see you there!
